## Kit Explainer

### Advance care & health information in a travel-safe magnetic envelope

The My911 kit sticks on the fridge or another magnetic surface with your important advance care and emergency health information.

### Makeup of a My911 kit

- Magnetic vinyl envelope
- Emergency information document
- Your advance care & health wishes

### Why use a My911 kit?

**My911** kits keep emergency health information protected, ready to go and conveniently available. Make sure your wishes are known AND available. This may include your:

- Medical Order for Scope of Treatment MOST
- Power of Attorney POA
- Representation Agreements
- Advance directive
- Organ donation Registration

### For everyone, and especially people who:

- Are more likely to call the paramedics or travel to hospital
- Use an emergency call alarm or fall sensor
- Are travelling a distance away with medical conditions

---

If there are no more My911 kits available in this location please contact:

**CommunityPlus 250-658-6508**

My911 kits are delivered to you, free of charge, in the Greater Victoria area

---
